

## KANGAROO MINTED GOLD BARS

Manufactured by  
**The Perth Mint**  
Australia

**The Perth Mint** (Australia) issued a new range of Kangaroo Minted Gold Bars for the international market in 2010.

Launched in the US, the bars are now available worldwide through the Mint's distribution network.

While the reverse side incorporates stylised kangaroo motifs, the obverse side records The Perth Mint's official stamp that depicts a swan, representative of the river Swan that passes through the city of Perth, the capital of Western Australia.

The range comprises 7 rectangular bars in gram and troy ounce weights: 100 g, 50 g, 20 g, 10 g, 5 g, 10 oz and 1 oz.

The bars have a gold purity of 99.99% and feature shiny design elements on a frosted table.

For added security, the Mint blister-packs each bar in a tamper-proof presentation card. Each card includes a serial number and the signature of the Mint's Chief Assayer.
