

STYLISH NEW LOGO ON GOLD BARS

Manufactured by
Rand Refinery
South Africa

Rand Refinery, the world's largest integrated single site precious metals refining and smelting complex, launched a stylish new logo in September 2011.

The logo, which is representative of the pouring of gold and a symbol of "Pure Refinement", is now being applied to the company's full range of gold bars.

Cast: 400 oz, 100 oz, 1000 g, 500 g, 100 g, 10 tola, 5 tola, 10 tael, 5 tael
Minted: 100 g, 50 g, 20 g, 10 g, 8 g, 5 g, 2.5 g, 2 g

The company, established in 1920, is a major gold refiner and bar manufacturer for the international market.

In 2004, it was appointed as one of five Referees to the London Good Delivery System of the London Bullion Market Association (LBMA).

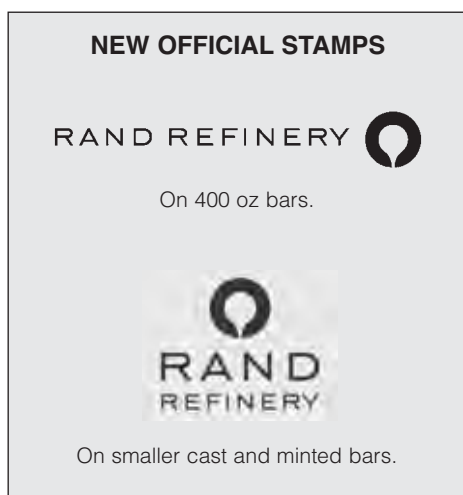

Rand Refinery, which is based in Germiston, near Johannesburg, has refined almost one third of all gold ever mined.

Rand Refinery launched its new logo in September 2011.

Illustrating the new official stamp that is applied to kilobars.

Rand Refinery has manufactured London Good Delivery 400 oz bars since 1921.
