

AUSTRALIAN KANGAROO 1 TONNE GOLD BULLION COIN

Manufactured by
The Perth Mint
Australia

The Perth Mint has fabricated a massive gold bullion coin to underline its international reputation for innovation, ingenuity and technical excellence.

The 1 tonne Australian Kangaroo was unveiled on 26 October 2011 by The Honourable Colin Barnett MLA, Premier of Western Australia, at an event that coincided with the staging of the Commonwealth Heads of Government Meeting and the Commonwealth Business Forum 2011 in Perth.

Authorized by the Commonwealth of Australia's Department of Treasury, the 1 tonne gold coin has legal tender status under the Australian *Currency Act 1965* – with a face value of one million Australian dollars.

The coin, dated 2012, has a diameter of 80 cm (31.5 inches) and a thickness of 12 cm (4.7 inches). The gold purity is 99.99%.

Its actual weight is 1,012 kg, conforming to the requirement in Currency (Perth Mint) Determination 2011 (No. 2) that the weight falls within a range of 975 kg and 1,025 kg.

The 1 tonne Australian Kangaroo is on permanent display at The Perth Mint.

Note: 1 tonne = 32,150.70 troy ounces. Source: London Bullion Market Association (LBMA) – basis for converting the weight of gold bars.

The world's largest gold coin was unveiled in October 2011.

The value of its fine gold content exceeds US\$50 million.

The obverse depicts Her Majesty Queen Elizabeth II.

Mr Ed Harbuz, Chief Executive Officer of The Perth Mint, with the Australian Kangaroo 1 tonne gold bullion coin.

The Perth Mint issues an extensive range of Australian Kangaroo gold bullion coins for private and institutional investors around the world:
1000 g, 1 oz, 1/2 oz, 1/4 oz and 1/10 oz.

The 1 tonne coin was cast in a mould and then handcrafted.

Manufacture took 18 months.
