

COMMEMORATIVE GOLD BARS FOR FAMILY OCCASIONS

Manufactured by
Nadir Metal Rafineri A.S.
Turkey

Nadir Metal Rafineri A.S. has issued an innovative range of small round minted bars to commemorate important family occasions.

The bars, launched in 2011, are available in 2 g, 1 g and 0.5 g weights. Gold purity: 99.5%.

They are designed not only for the Turkish market but also for countries in the Middle East and elsewhere where there are Turkish-speaking peoples.

The company's gold refinery in Istanbul has been accredited to the London Bullion Market Association (LBMA) since 2011, Dubai Multi Commodities Centre (DMCC) since 2009 and Istanbul Gold Exchange (IGE) since 2008.

It can be noted that small bars and coins are popular in Turkey. The Turkish State Mint, in recent years, has minted over 6 million 1.754 g Ziyet gold bullion coins each year, mainly for use as gifts for family occasions.

Small round gold bars to commemorate births.

Blue packaging for boys and pink for girls.

Nadir, established in 1967, has refined gold in Turkey since 1975.
