

METAL REGISTRATION LTD

ACCREDITATION SERVICES FOR GOLD REFINERS AND BRANDS WORLDWIDE

Metal Registration Ltd (MR), headquartered in London, assists gold refiners throughout the world that are seeking accreditation of their refineries or brands to the following associations and exchanges:

- London Bullion Market Association (LBMA)
- New York Mercantile Exchange (NYMEX), COMEX Division
- Tokyo Commodity Exchange (TOCOM)
- Dubai Multi Commodities Centre (DMCC)
- Shanghai Futures Exchange (SHFE)

The company was founded in 2007 by Melanie Wells, who had previously spent 15 years at the London Metal Exchange (LME) as a Brands Listing Manager and Secretary to various LME metal-related Committees.

SERVICES

In summary, the company offers three main accreditation services – to enable clients to focus on their normal day to day activities and management issues without distraction.

Brand Registration Service: manages the entire accreditation process on behalf of clients.

Brand Application Review Service: reviews the accreditation documentation of those clients, which are already in the process of applying to an association or exchange, to ensure that all aspects are covered.

Consultancy Service: provides, on an on-going basis, specialist knowledge relating to the accreditation requirements of associations and exchanges.

Apart from gold, the company also provides accreditation support for other metals, notably aluminium, copper, lead/zinc, nickel, silver and tin.
